The following is a list of the main articles published in SOLIDARITY over the last 12 years (i.e. between October 1960 and October 1972), and of various Solidarity pamphlets and books published during this period.

The classification of the articles is somewhat arbitrary and an occasional item will be found under two different headings. The list, which does not claim to be comprehensive, will give new readers and subscribers some idea of our range of interests and activities over the past decade. The articles are listed in chronological sequence, under the following headings:

1. About ourselves
2. Cartoons
3. Civil Rights
4. Documents
5. General
6. Historical
7. Industrial (excluding motors)
8. International
9. Ireland
10. Labour Party
11. Motors
12. Nonsense ... or is it?
13. Peace Movement
14. Racialism
15. Reviews (books and films)
16. Scientists
17. Songs and poems
18. Students, youth
19. Tenants and homeless struggles
20. Theoretical

It will be seen that the considerable number of articles relating to the car industry has necessitated a special section on 'Motors' - which has in turn been further subdivided in relation to the main car firms.

Roman numerals relate to volume number, arabic numerals to issue and page number. (For instance III, 7, 19 means page 19 of issue no. 7 of volume III.)

The first 5 issues of volume I of our paper appeared under the name AGITATOR. From issue no.6 on, the paper was called SOLIDARITY. Complete series of 'Solidarity' and of 'Solidarity' Pamphlets will be found at the Library of the International Institute of Social History (Herengracht 262-266, Amsterdam C, Holland) and at the British Museum. Rather less complete series are also available at the Bodleian Library, Oxford; at the University Library, Cambridge; at the National Library of Scotland, Edinburgh; at the Library of Trinity College, Dublin; at
the Library of the London School of Economics, Houghton St., London WC2, 
and at University of Michigan Library (Labadie Collection), Ann Arbor, 
Michigan 48104, USA.

At the time of production of this list a few back issues of vol.III 
(nos. 7, 9, 11), of vol.IV (nos. 2, 3, 4, 6, 7, 11), of vol.V (nos. 6, 7) 
and of volume VI (nos. 1, 2, 4, 5, 7, 10, 12) are still available - as 
are all issues to date of volume VII. The pamphlets marked with an 
esterisk (and only these) are also still available.

The papers and pamphlets referred to in this bibliography are those 
produced by the original 'Socialism Reaffirmed' group - which early in 
1965 became the 'Solidarity' group, and in 1969 the 'Solidarity' (North 
London) group. Other, entirely autonomous, 'Solidarity' groups have come 
and gone over the last 12 years. A number are active in various parts of 
the country, and are engaged in various types of agitational and propaga-
ganda work. Some have produced their own 'Solidarity' journals and 
pamphlets. An acceptance of the statement 'As We See It' - and of its 
implications - is the basis of recognition of these groups as part of a 
'Solidarity' movement. Details concerning the publications of these 
various autonomous groups can be obtained by writing to them directly, at 
the addresses listed in each issue of 'Solidarity'(London).

Communications about the present bibliography - or about our own 
pamphlets and books - should be addressed to 'Solidarity'(London), c/o 
27 Sandringham Road, London N.W.11.

August 1972.

On the following pages is a list and brief description of the pamphlets we have produced (or in the production of which we have been associated) during the last years. Also listed are some of the pamphlets produced by other Solidarity groups.

Many of our pamphlets have been repeatedly reprinted, in fact until the stencils literally fell to pieces. Others are out of print and unlikely to be republished. Those still obtainable - or likely to be available shortly are marked with an asterisk. (Information about pamphlets produced by other Solidarity groups cannot be guaranteed as accurate and should be confirmed from the groups themselves.)

A complete recosting of all Solidarity (North London) productions is now being undertaken and we cannot at the moment quote costs for various items, except in very general terms: the prices will probably vary between 1/- (5 new pence) and 5/- (25 new pence). Please write to us for further details.
